Logo

JobScraper **JobScraper** **JobScraper**

- Blue disc = the job seeker, open ring = the job.
- Clear space: half the mark height on every side.
- Minimum size: 16px mark, 24px lockup.
- Three colourings only: navy ring on light, white ring on dark, white disc on brand blue.
- Never recolour, outline, rotate or add effects.

Voice & content

JobScraper speaks to you, calmly and concretely. Sentence case, no emoji, no hype.

- Key words in color/ink, connecting words in color/ink-muted — the two-tone signature.
- Say what happened and what to do next: “3 new matches in Berlin”, “View role”.
- Status always carries a word, never colour alone.
- The overline style is the only uppercase text.
